The Malaysian
Institute Of
Purchasing
and Materials
Management

(MIPMM) was formed in 1977 As a National institution, it focuses on promoting the importance of Purchasing and Materials Management for economic advancement. MIPMM also aims to upgrade educational standards of the profession by providing training and certification to meet the increasing demand for qualified and competent workforce of the industry.

MIPMM is a non profit, self sustainable institution. The management of the Institute is vested in Governing Council of fifteen members. The National centre is based in Penang with regional centres in Petaling Jaya, Selangor and Johore Bahru.

In 1984, MIPMM was admitted as an affiliated member of the distinguished International Federation of Purchasing & Supply Management (IFPSM). Being a member of an international body, paved the way for the Institute to assume a more pro-active role in regional purchasing and materials management. The Institute has shown significant progress during its existence of over two decades. It has a membership strength of more than 1,000 people throughout Malaysia. Today, MIPMM has fortified its role as the leading institution in promoting professional developments in the field of purchasing and materials management.
